Proposed Amendment to  
Spent Fuel Storage Facility Expansion  
Additional Information

By letter dated August 13, 1984 and received by FPL on August 21, 1984, you requested certain additional information regarding the proposed spent fuel pool expansion for Turkey Point Units 3 & 4 be provided by September 4, 1984. We intend to submit this information on or before September 17, 1984. To meet the current review schedule, we are making every effort to expedite the submittal of this information, and toward this end are meeting with Mr. McDonald, Auxiliary Systems Branch and Structural Engineering Branch staff on September 10, 1984.

Very truly yours,
