Allen,

The attached is available to be docketed as part of of the Seismic Geotec Audit Report. Let me know if there is anything else you need.

Thanks, Ray

Subject: Audit Follow-up - Docketing the Field Guide

Becky/Kevin,

Our OGC staff has reviewed the attached field guide and agreed there is nothing that needed to be removed prior to docketing with the NRC. So we plan to submit as is.

Thanks again for the guide and support for the field trip and audit responses.
