He should now have received an e-mail from CERTREC.

They hadn't sent one since Rao already had an active account with CERTREC.

I asked them to resend just to ensure that password is current....

Thanks,

Jeff

The e-mail would have come from CERTREC.COM . Could it have gotten sent to his junk mail box?
I am verifying on the other end as well.

Allen:
I did not get any authorization with link or password or anything to access ERR.
Thanks,
Rao
