Dear Mr. Chairman:

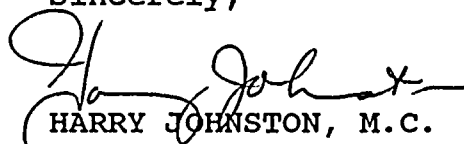

Enclosed please find a letter from my constituent, Mr. Theodore Slade regarding the Turkey Point Nuclear Power Plant. All three express concern regarding the safety of the plant.

I would appreciate your responding directly to Mr. Slade.

Thank you for your assistance.

With warm regards,

Sincerely,

HARRY JOHNSTON, M.C.

The Turkey Point Nuclear Plant is obsolete, poorly operated and poorly maintained. It has high personnel turnover and inadequate security. These faults have resulted in dangerous emissions and radioactivity.

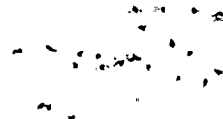

~~We urge your support for the closing of this critical site.~~

We urge that you close down the Turkey Point Plant at once.
