**Importance:** High

Hi,

In addition to my previous file concern, we noted that TVA sent us the MACCS I/O files as PDFs and not text files.

We need text files. It will be more efficient for you to send us the text files than for us to convert them from PDF to Word then to text. There is a chance that this would not work.

Please send these files at your earliest convenience so that we can begin our related review.

Thank you and have a great weekend,
