Gentlemen:

Subject: AUDIT OF NRC PART 170 CHARGES

Florida Power and Light Company has, as a matter of record, paid to the NRC various charges assessed for NRC services furnished under 10 CFR 170. These charges compensate the NRC for their Part 170 related activities carried out on behalf of FPL.

It is our practice and responsibility to periodically audit organizations that perform services for and assess charges to FPL. Accordingly, FPL would like to audit NRC records to independently verify the reasonableness of the charges the NRC has assessed against FPL for their Part 170 services.

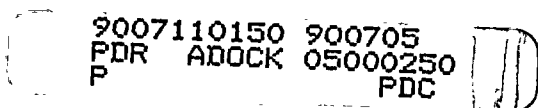

Please advise when FPL can visit the NRC offices to undertake this independent financial review. Thank you for your cooperation in this matter.

Very truly yours,

W.H. Bohlke
Vice President
Nuclear Engineering & Licensing
