RE: FPL STAFFING

Dear Mr. Ebnetter:

Florida Power & Light Company has instituted a hiring freeze which entails the following which is being provided for your information:

There are to be no additions to force involving hiring from outside the company unless specifically approved by the President of Florida Power & Light Company.

The hiring freeze will remain in force until such time as the company completes a staffing study to determine its long term personnel needs.

We are mindful of our responsibility to operate and maintain our nuclear facilities in a timely, safe, and reliable manner. We will not allow the hiring freeze to interfere with our ability to fulfill that responsibility.

Very truly yours,

J. H. Goldberg
Executive Vice President
