Good Morning Ray,

I will verify with my specialist when he returns to the office on Wednesday. I regret the delay.

Thank you and have a great day,

Pat, Good Morning,

Could you please verify which version of the ESPA, ER section 9.3 was used to generate the information needs table you provided us? Was it Revision 0 which was submitted in May or was it the RSI response version with the total rewrite of Section 9.3?

Thanks
