Attention: Document Control Desk

References: (a) Facility Operating License No. NPF-86, Docket No. 50-443

Subject: Revised Evacuation Time Estimates Incorporating Vehicles Hidden From Aerial Observation

Gentlemen:

Pursuant to ALAB-932, 30 NRC ___, and the ASLB's Memorandum and Order LBP-90-20, New Hampshire Yankee (NHY) has had the Evacuation Time Estimates (ETE) for the Seabrook Station emergency planning zone recalculated to incorporate vehicles hidden from aerial observation. The results of recalculating the ETE to include the hidden vehicles are contained in Enclosure 1 to this letter.

These revised ETEs will be incorporated into the New Hampshire Radiological Emergency Response Plan and the Seabrook Plan for Massachusetts Communities during the annual update of these plans in January 1991.

If you should have any questions regarding the above, please contact Mr. Anthony M. Callendrello, Manager, EP Licensing at (603) 474-9521 extension 2751.

Very truly yours,

Ted C. Feigenbaum
