In the Matter of
TENNESSEE VALLEY AUTHORITY
(Clinch River Nuclear Site Early Site Permit Application)
Docket No. 52-047-ESP

Dear Administrative Judges:

Pursuant to the Atomic Safety and Licensing Board's "Order (Granting Joint Motion for Extension of Time to Provide Initial Disclosures)," dated November 8, 2017, the staff of the U.S. Nuclear Regulatory Commission ("Staff") herein notifies the Licensing Board and the parties that the hearing file has been provided for this proceeding. Materials in the hearing file may be accessed through the Agencywide Documents Access and Management System ("ADAMS"). An index containing the ADAMS accession number, date, and title or description of each item in the initial disclosure is appended hereto as Attachment 1.

On or about December 25, 2017, the documents identified in the hearing file may be accessed through ADAMS or through the Electronic Hearing Docket ("EHD"), which may be accessed at <https://adams.nrc.gov/ehd/>. The hearing file will be contained in the "Staff Discovery Materials" tab of the EHD, in a sub-folder entitled, "Clinch River Hearing File, Initial Disclosure" in the "Clinch River Nuclear Site ESP" folder. Any party who seeks access to a document listed in the NRC staff hearing file index prior to it populating the publicly available folder may contact NRC staff counsel.

In addition, as required by 10 C.F.R. § 2.336(b)(5), the Staff is producing a privilege log, identifying documents withheld as designated proprietary and are subject to protected status;

Judge Ryerson
Judge Arnold
Judge Abreu

- 2 -

December 15, 2017

appended hereto as Attachment 2. Also attached is the Declaration of Allen Fetter formally invoking privilege with respect to the documents in Attachment 2. The Staff will preserve and maintain the documents identified in these logs during the pendency of this proceeding.

Further, pursuant to 10 C.F.R. § 2.336(c), attached is the Affidavit of Allen Fetter, certifying that all relevant materials required by this section have been disclosed, and that the disclosures are accurate and complete as to documents identified by December 13, 2017.

Finally, the NRC Staff notes that it has made a good faith effort to identify and characterize all documents meeting the criteria of 10 C.F.R. § 2.336(b), as modified by the "Agreement of the Parties Regarding Mandatory Discovery Disclosures," dated November 8, 2017, and 10 C.F.R. § 2.1203 in this proceeding. In identifying these documents, the Staff does not concede their relevance to the issues to be decided in this proceeding.

Sincerely,

/Signed (electronically) by/
Kevin Roach
Counsel for NRC Staff

DECLARATION OF ALLEN FETTER

I, Allen Fetter, do hereby state as follows:

1. I am employed as a senior project manager in the Division of New Reactor Licensing in the U.S. Nuclear Regulatory Commission's (NRC) Office of New Reactors (NRO). My supervisory responsibilities include oversight of the NRC Staff's review and evaluation of the Clinch River Nuclear Site early site permit application.

2. As part of their responsibilities in updating the hearing file and mandatory disclosures for these proceedings, NRC staff members under my supervision identified documents as privileged because they contained information concerning the proprietary information. The documents are listed in Attachment 2 to the submission of the Staff's Initial Disclosures.

3. I have personally reviewed the documents identified as privileged in Attachment 2, and have determined, in accordance with the guidance set forth in Management Directives 3.4 and 12.6, that they contain proprietary or other sensitive unclassified non-safeguards information concerning the Staff's review of the early site permit application. The documents contain sensitive proprietary information and information regarding phone numbers used for discussing proprietary and other sensitive information.

4. Accordingly, I formally invoke privilege with respect to the documents listed in Attachment 2 to the submission of the Staff's Initial Disclosures.

5. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.

Executed in Accord with 10 CFR 2.304(d)

AFFIDAVIT OF ALLEN FETTER CONCERNING
MANDATORY DISCLOSURE REQUIREMENT OF 10 C.F.R. § 2.336(b)

I, Allen Fetter, do hereby state as follows:

1. I am employed as a Senior Project Manager in the U.S. Nuclear Regulatory Commission's (NRC) Office of New Reactors. I currently serve as a project manager for the Clinch River Nuclear Site Early Site Permit ("ESP") Application review.

2. I hereby certify that all relevant materials required to be disclosed pursuant to 10 C.F.R. §§ 2.336 (b) and (c) and 2.1203(a)(1) in the captioned proceeding have been disclosed, and that the disclosures are accurate and complete for documents identified as of December 13, 2017.

3. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.
