In the Matter of
CROW BUTTE RESOURCES, INC.
(Marsland Expansion Area)
Docket No. 40-8943-MLA-2; ASLBP No. 13-926-01-MLA-BD01

Dear Administrative Judges:

The NRC Staff has discovered errors in the internal numbering of documents in the Staff's hearing file updates dating from January 2017 (Update 40). Those errors resulted in the assignment of duplicate identification numbers to some documents. Attachment 1 to this contains a cumulative hearing file index of the documents listed in Updates 40, 41, 43, 44, and 47-51 with corrected identification numbers. The other information provided in those updates was correct and remains the same in Attachment 1 to this letter.

The Staff apologizes for any inconvenience these errors may have caused.

Respectfully submitted,

Signed (electronically) by

Marcia J. Simon
