Dear Ms. Jackson,

As residents of southern Miami Dade County, we are greatly concerned about any irresponsible commercial re-development of Homestead Air Reserve Base. In order to be able to make an intelligent determination of this issue, we need to be in possession of all the facts concerning this project.

Therefore, we request that you forward any and all information, studies and/or reports you may now have regarding the proximity of the Florida Power and Light Nuclear Electric Plant at Turkey Point as it relates to the proposed expansion and commercial development of the Homestead Air Reserve Base.

Thank you for your prompt attention to this request.

Sincerely,
South Dade Community Council
