Natalie,

Here are the slides that the NRC staff will be presenting at the public meeting on Thursday. They will be made publicly available in ADAMS but as seeing that sometimes takes a while, I'm emailing you a copy. Feel free to distribute to others participating or even those that won't be able to. As I mentioned on the phone, I'll pass along NextEra's slides once I have them.

I'll have the conference line information later this afternoon.

Good afternoon Ms. Treat,

The NRC staff would like to bring to C-10's attention that a public meeting has been scheduled regarding the staff's review of the Seabrook ASR license amendment request. The public meeting will be held on August 24, 2017 at 1pm. The attached meeting notice contains additional information. This information can also be found on the NRC's public meeting website.

Please feel free to reach out to me or the NRC contacts listed in the meeting notice if you have any questions regarding the public meeting.
