Re: Freedom of Information Act Request for Asbestos Violations

To whom it may concern,

I would like to request copies of any specifically asbestos-related violations retained by the NRC for the Pacific Gas & Electric power plant at Diablo Canyon, Avila Beach, CA. Our time period is from the start of record retention to 1988. We are willing to pay the applicable fees associated with completing this request, and due to the possibility of these records being retained with federal or Cal/OSHA, we are also submitting requests to those agencies as well.

If you have any questions, please feel free to call me at (310) 414-8146, mail a letter to the Los Angeles address in the footer below, or send an email to [tlawnicki@waterskraus.com](mailto:tlawnicki@waterskraus.com). Thank you in advance for your assistance.

Sincerely,

Tim Lawnicki  
Investigator
