American Electric Power

License No.: 47-35053-01  
Docket No: 03038629  
Control No: 601937

Mr. Purdum,

This refers to your application to renew your license dated December 4, 2017. In order to continue our review of your request, the following additional information is needed:

1. The address for your facility and location of use listed on your current license is different from the address for your facility and location of use described on your application for renewal. Please explain the difference in addresses.
2. On your current license, it allows you to possess up to 10 Troxler Model 3216, 3217, 3218 and 3400 Series portable gauges. In your license renewal application, it states that you would like to be licensed for 1 Troxler Model 3400 Series portable gauge. Please verify how many and what types of portable gauges you would like to possess under your license.

Included is the link to NUREG-1556, Consolidated Guidance About Materials Licenses, Program Specific Guidance about Portable Gauge Licenses, Vol. 1, Rev. 2 that you may review for future renewal/amendment requests: <https://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v1/>

Your reply must be an originally signed and dated letter. The letter may be scanned and submitted as a pdf document attached to an email; or it may be transmitted by facsimile to (610) 337-5269; or it may be sent by regular mail. If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your renewal request.
