Jessie,

I have had no comments from any of the DEQ Divisions on the Draft EA. Will this email be sufficient for your records? Thank you for the opportunity for the group to review this document.

Good morning Julie. I hope you had a nice New Year. I was checking in to see if DEQ has any comments on the Draft Environmental Assessment for Strata's license amendment request for its Ross project?

Thanks,

jessie

Julie,

Would you be able to provide comments by January 2nd?

I'm attaching two documents that I referenced in the Draft Environmental Assessment that are related to DEQ's review of a similar request Strata made to DEQ. The documents might help identify folks at DEQ that worked on this topic.
