Mr. Harold R. Denton, Director
Office of Nuclear Reactor Regulation
United States Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Denton:

As Mayor Upchurch may have written you, we now have a citizen's committee on Nuclear Energy called Nuclear Energy Public Information Committee. (See attached)

Without your help I would not have had a chance of getting this through as it is. I hope this will prove useful in increasing the efficiency and safety of the Shearin Harris Plant and cause all of us to be less fearful of living with a nuclear power plant in our midst.

I am indeed grateful to you.

Sincerely,

Mary Cates
