Re: Mail Control Number 601596
NRC Materials License No. 47-18080-01/03014445
Stonewall Jackson Memorial Hospital
Weston, WV
NRC Region 1

Dear Ms. Nguyen:

Per your request, the following information/responses supplement Stonewall Jackson Memorial Hospital Company's prior submission in connection with NRC License No. 47-18080-01:

1. The name on the license should be listed as the hospital's full legal name, Stonewall Jackson Memorial Hospital Company, which was (prior the transaction) and remains its full legal name. At this time, no tradenames (i.e., "dba" names) that may arise from re-branding should be listed on the license, as the full legal name will not change. It appears that when the application was originally filed an abbreviated name was used, i.e., Stonewall Jackson Memorial Hospital, but the company's full legal name has always been Stonewall Jackson Memorial Hospital Company, dating back to its incorporation in 1958.
2. On October 1, 2017, Monongalia Health System, Inc., a West Virginia non-profit corporation, became the sole member of Stonewall Jackson Memorial Hospital Company, a West Virginia non-profit corporation ("Stonewall"). The affiliation notwithstanding, Stonewall is and will continue to be a separate legal entity and will remain the licensee, owner and operator of the hospital located in Weston, West Virginia, and provider of health care services. The transaction did not include a merger or acquisition, and no contracts, obligations, licenses, or registrations of Stonewall were assigned or transferred nor did the location or tax identification number of Stonewall change as a result of the affiliation.
