Control 600277

Please use this email to close Control 600277.

In this case, no change is needed. The approval date in WBL states 12/10/2010. A letter dated February 13, 2017, was notice of correction of our NRC letter of 12/10/2010, and not a new review or new approval. Because the licensee had FA approval in 2010 and nothing changed in the FA, the date in WBL of 12/10/2010 is still correct, therefore no correction is necessary.

Please place this email into the ADAMS folder for this action. No changes were made in WBL. This email is public, non-sensitive, normal release date.

Thanks,
Betsy
