Control No. 601731

United States Nuclear Regulatory Commission
Materials Licensing Section
2443 Warrenville Road, Suite 210
Lisle, IL 60532-4352

Dear Daniel Strohmeyer:

Rush Memorial Hospital, Materials License Number 13-32145-01, would like to amend its license to remove William D. Shidal, M.D. as an Authorized User. Dr. Shidal has discontinued practice at our facility.

In addition, we request the addition of Jon Hopkins, M.D. as an Authorized User of materials licensed under 10 CFR 35.100, 35.200, and 35.392. Enclosed are NRC forms 313A(AUD) and 313A(AUT) documenting Dr. Hopkins' training and experience.

If there are any questions concerning this license amendment, please contact our nuclear medicine physicist, Patrick Byrne, at 734-717-8731.

Sincerely,

Jennifer Cupp, R.T. (R)(M)(BD)
Director of Imaging
