Subject: §71.106 Report of No Changes to International Isotopes Inc. NRC Approved
Quality Assurance program

Dear Director,

The purpose of this letter is to inform the US Nuclear Regulatory Commission that, as of August 2015, no changes have been made to International Isotopes Inc. Part 71 Quality Assurance Program Approval. Note that International Isotopes Inc continues to maintain certification to ISO 9001:2008 but intends to transition our Quality Assurance program to the most recent ISO 9001:2015 standard. Our certification audit to transition to ISO 9001:2015 is scheduled for May 2018.

Please contact me by phone at 208 524-5300 or email at jjmiller@intisoid.com if you have any questions regarding this letter or require additional information.

Sincerely,

John J. Miller, CHP
Radiation Safety Officer
