RE: Transfer of Sources to Specific Licensee

GLTS Manager:

This letter is to notify NRC that the Anheuser-Busch, LLC. St. Louis Brewery and Corporate Complex, General License Number GL-700118, located at One Busch Place, St. Louis, MO 63118, performed the following:

On Friday, November 3, 2017, 1 radiation source (Electron Capture Detector (ECD)) from a gas chromatograph at Anheuser-Busch, LLC, One Busch Place, St. Louis, MO 63118 was removed by a representative of and transferred to R M Wester and Associates Inc, 215 Indacom Drive, St. Peters, MO 63376 for subsequent disposal. The source, serial number 1803, contains 15 mCi of Ni-63. The Gas Chromatograph (model description and serial number listed below), containing no radioactive source, was stored for later reuse.

R. M. Wester and Associates, Inc. Radioactive Material License Number is 24-20091. The R. M. Wester and Associates, Inc. contact person in charge of this source is their R.S.O. Mr. Robert Wester.

Name of Manufacturer and Model Number of Device	Device / Source Serial Number	Name, Address and License Number of the Person Receiving the Source.
