Subject: [External_Sender] Strata SER- Amendment of License SUA-1601, LC. 11.3(C)
Date: Thursday, November 30, 2017 2:09:06 PM

Don.

We accept the proposed license condition and request that NRC submit the draft EA to the WDEQ as soon as possible, to complete action on this amendment request. We do have some general comments on the SER that will be submitted under a separate cover letter.
