

## UNIT 2 REQUAL LESSON PLANS INDEX

| <u>Lesson Plan #</u> | <u>Lesson Plan Title</u>                    | <u>Rev.</u> |
|----------------------|---|-------------|
| 02-REQ-001-101-2-01  | Reactor Vessel and Internals                | 4           |
| 02-REQ-001-101-2-02  | Nuclear Fuel                                | 5           |
| 02-REQ-001-201-2-01  | ~Control Rod Drive Hydraulics               | 4           |
| 02-REQ-001-201-2-02  | ~Reactor Manual Rod Control                 | 4           |
| 02-REQ-001-201-2-03  | Control Rod and Control Rod Drive Mechanism | 4           |
| 02-REQ-001-202-2-01  | ~Reactor Recirculation                      | 4           |
| 02-REQ-001-202-2-02  | ~Reactor Recirculation Flow Control         | 5           |
| 02-REQ-001-204-2-00  | ~Reactor Water Cleanup                      | 0           |
| 02-REQ-001-205-2-00  | ~Residual Heat Removal                      | 5           |
| 02-REQ-001-206-2-00  | High Pressure Core Spray                    | 5/6         |
| 02-REQ-001-208-2-00  | Reactor Building Closed Loop Cooling Water  | 4           |
| 02-REQ-001-209-2-00  | Low Pressure Core Spray                     | 4           |
| 02-REQ-001-211-2-00  | Standby Liquid Control                      | 4           |
| 02-REQ-001-212-2-00  | ~Reactor Protection                         | 5           |
| 02-REQ-001-215-2-02  | ~Rod Block Monitor                          | 4           |
| 02-REQ-001-215-2-03  | Intermediate Range Monitoring               | 4           |
| 02-REQ-001-215-2-04  | Source Range Monitoring                     | 4           |
| 02-REQ-001-215-2-05  | ~Average Power Range Monitoring             | 4           |
| 02-REQ-001-215-2-06  | ~Local Power Range Monitoring               | 4           |
| 02-REQ-001-215-2-07  | Traversing Incore Probe                     | 4           |
| 02-REQ-001-215-2-08  | ~Redundant Reactivity Control               | 4           |
| 02-REQ-001-216-2-01  | ~Rx Vessel Instrumentation                  | 4           |
| 02-REQ-001-217-2-00  | ~Reactor Core Isolation Cooling             | 4           |
| 02-REQ-001-218-2-01  | Automatic Depressurization System           | 4           |
| 02-REQ-001-221-2-01  | Containment Entry and Exit                  | 0           |
| 02-REQ-001-222-2-00  | ~Drywell Cooling                            | 4           |
| 02-REQ-001-223-2-01  | Primary Containment                         | 4           |
| 02-REQ-001-223-2-02  | ~Primary Containment Isolation              | 4           |
| 02-REQ-001-223-2-03  | Containment Purge System                    | 0           |
| 02-REQ-001-223-2-04  | Secondary Containment                       | 4           |
| 02-REQ-001-223-2-05  | DBA Hydrogen Recombiner                     | 0           |
| 02-REQ-001-223-2-06  | ~Containment Atmospheric Monitoring         | 0           |
| 02-REQ-001-223-2-08  | Containment Leakage Monitoring System       | 0           |
| 02-REQ-001-226-2-02  | ~Safety Parameter Display System            | 4           |
| 02-REQ-001-233-2-00  | Fuel Pool Cooling and Cleanup               | 4           |
| 02-REQ-001-234-2-00  | Fuel Handling and Rx Servicing Equipment    | 5           |
| 02-REQ-001-239-2-00  | Main Steam and Reheaters                    | 4           |
| 02-REQ-001-242-2-00  | Auxiliary Steam                             | 4           |
| 02-REQ-001-245-2-01  | Main Turbine                                | 4           |
| 02-REQ-001-245-2-02  | ~Main Generator and Exciter                 | 4           |
| 02-REQ-001-246-2-00  | Steam Seal                                  | 4           |
| 02-REQ-001-247-2-00  | Main Turbine Generator Lube Oil, Seal Oil   | 4           |
| 02-REQ-001-248-2-00  | Turbine Electrohydraulic Control            | 5           |
| 02-REQ-001-252-2-00  | Generator Hydrogen and Carbon Dioxide       | 4           |
| 02-REQ-001-253-2-00  | Generator Stator Water Cooling              | 4           |
| 02-REQ-001-255-2-00  | ~Condenser Air Removal and Off Gas          | 4           |
| 02-REQ-001-256-2-01  | ~Condensate System                          | 4           |
| 02-REQ-001-256-2-02  | Condensate Transfer & Storage System        | 4           |
| 02-REQ-001-257-2-00  | ~Condensate Demineralizers                  | 4           |
