SUBJECT: DRAFT LICENSE CONDITIONS, CROW BUTTE RESOURCES, INC., IN SITU RECOVERY FACILITY MARSLAND EXPANSION AREA, CRAWFORD, NEBRASKA, LICENSE SUA-1534

Walter,

Attached is a draft of the Marsland Expansion Area license conditions based on our ongoing development of the safety evaluation report (SER). The NRC staff is providing the draft license conditions to Crow Butte Resources, Inc. for their review and concurrence necessary for finalizing the SER. It should be noted that as the staff's review continues, the draft license conditions are subject to change. As such, the disclosure of this draft license conditions does not constitute a licensing decision by the NRC. Please review the draft license conditions and provide comments within 10 days of receipt of this e-mail. The staff can also schedule a public meeting to discuss the draft license conditions. Significant changes or deviations from the draft license conditions may require additional staff review and may delay the final review schedule. Please use the attached to respond.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice for Domestic Licensing Proceedings and Issuance of Orders," a copy of this e-mail will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records component of the NRC's ADAMS, which is accessible from the NRC Web site at <http://www.nrc.gov/readingrm/adams.html>.

Sincerely,

Tom Lancaster
