1. The first part of the report deals with the general situation of the country and the progress of the war. It mentions the fact that the war has been going on for a long time and that the situation is becoming more and more difficult for the Axis powers. It also mentions the fact that the Allies are making progress in the Pacific and in the Atlantic.

2. The second part of the report deals with the situation in the Pacific. It mentions the fact that the Allies have taken the Philippines and that they are now moving on to the Japanese islands. It also mentions the fact that the Japanese are still holding out in the Pacific.

3. The third part of the report deals with the situation in the Atlantic. It mentions the fact that the Allies have won the Battle of the Atlantic and that they are now moving on to the German coast. It also mentions the fact that the German U-boats are still active in the Atlantic.
