On January 23, 2018, the parties reached an agreement to retain the current disclosure update schedule, under which the parties submit updates to their mandatory disclosure on the first day of each month; provided, however, that for any month in which the first day falls on a weekend or federal holiday, the submission can be filed on the next federal business day.⁵ Therefore, on behalf of the parties, the Staff respectfully requests that pursuant to the Initial Scheduling Order, the Board revise the disclosure update schedule in accordance with the agreement of the parties.
