Subject: LAR 17-037 Discussion Topics for Public Meeting

Wes et al. –

The staff would like to discuss the following topics regarding LAR 17-037 at the upcoming public meeting/teleconference on 2/1/18.

Please let me know whether you can support this.

Thanks

Don Habib
Project Manager
NRO/DNRL, Licensing Branch 4

1. Is Criterion 3 intended for any other Tier 2* items other than Fuel Criteria Evaluation Process (FCEP) and Burn Up limit?
2. Since FCEP is an approved topical report which provides the framework for making fuel changes which might not need NRC review and approval, is there any way in which Criterion 3 as described could be used to make a change to any aspect of the FCEP topical report?
