Subject: Change of RSO

Latischa,

Attached you will find the RSO delegation form signed by Brett Baker (President of Simon) delegating myself as the new RSO for Simon in the absence of Matt Roessler. I have also attached my Nuclear Gauge Radiation Safety Officer Training certificate as well as my certificate for Nuclear Gauge Operator Safety Training. If there is anything else that we need to do as a company to make this transition final, please let me know.

Thank You,

RYAN KANE

Model Delegation of Authority to Radiation Safety Officer

Memo To: Radiation Safety Officer

From: Chief Executive Officer

Subject: Delegation of Authority

You, Ryan Kane have been appointed radiation safety officer and are responsible for ensuring the safe use of radiation. You are responsible for managing the Radiation Protection Program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations, when justified, to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the U.S. Nuclear Regulatory Commission at any time. It is estimated that you will spend ___ hours per week conducting radiation protection activities.
