Re: Nine Mile Point Unit #1
Docket No. 50-220
DPR-63

Dear Mr. Dircks:

Recently some changes in Niagara Mohawk Power Corporation management have been made to provide for a more efficient operation.

Due to the recent retirement of Mr. Rudolph R. Schneider, the position of Vice President-Electric Production has been abolished. Effective March 1, 1980, Mr. Thomas E. Lempges was elected Vice President-Nuclear Generation.

The immediate result is that all correspondence pertaining to Security-related matters should be sent to Mr. Joseph J. Sunser, Manager System Security.

These organization changes will be carried out in a manner which will not impede our licensing efforts and will ensure our continued safe operation at Nine Mile Point Unit #1.

All correspondence addressed to the above management individuals should be mailed to Niagara Mohawk Power Corporation, 300 Erie Boulevard West, Syracuse, New York 13202.

Very truly yours,

NIAGARA MOHAWK POWER CORPORATION
