Subject: General License Report for Previous Calendar Quarter, License # 53-0388

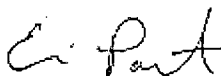

Dear GLTS Coordinator,

In accordance with 10 CFR 32.52, Thermo Scientific Portable Analytical Instruments, Inc is providing this quarterly report for your review. This report is provided to to the US Nuclear Regulatory Commission, and pertinent portions are provided to each Agreement State as required above. Additionally, this report is provided to all Non-Agreement States as a courtesy report of Thermo Scientific Portable Analytical Instruments, Inc's XRF instruments distributed in those states. Please note that this report contains all domestic general license distributions and may include those made to licensees in Agreement States but licensed by the NRC due to Exclusive Federal Jurisdiction.

The generally licensed devices listed in the attachment to this letter were distributed from Thermo Scientific Portable Analytical Instruments, Inc's facility at the adress above under the provisions of Massachusetts radioactive materials license # 53-0388.

If you have any questions regarding this report, please contact Erin Poitras at (978) 513-3681.

Sincerely,

Erin Poitras
Radiation Safety Officer
