**Subject:** Receipt of Framatome ISA Summary Updates  
**Date:** Monday, February 12, 2018 9:50:00 AM

---

We have received your letter dated January 22, 2018, transmitting the annual update for the Framatome ISA Summary (ML18036A552). We have completed an acceptance review and have identified no major deficiencies. In accordance with the Staff Requirements Memorandum for SECY-16-0009, "Recommendations Resulting from the Integrated Prioritization and Re-Baselining of Agency Activities" (ML16104A158), licensing staff will no longer perform a detailed review of such documents.

Therefore, no cost activity code has been assigned to this action. A detailed review may be performed by inspection staff in the future.
