Re: Freedom of Information Act Request version 3

Dear FOIA Officer,

This is a second request under the Freedom of Information Act.

I request that a copy of the following documents (or documents containing the following information) be provided to me:

- Any and all contracts or agreements pertaining to settlements of sexual harassment within NRC including all departments under the headquarters of NRC. All sexual harassment cases in EEO and District Court only.
- Total number of sexual harassment (only) cases settled or litigated between the years 1/1/2000 – 12/31/2017 including the total dollars agreed to as a required part of the settlements and any other fees, benefits etc as part of the total agreement/contract.
- The sources of funds in these sexual harassment (only) settlements.
- Who represented and/or negotiated for the parties involved in these sexual harassment (only) cases/settlements? Are they inside or outside counsel? If counsel is outside the department, how much money was paid in fees and expenses?

In order to help determine my status to assess fees, I am a private citizen and requesting the information on my own behalf. I request a waiver of all fees for this request as I believe this is in the public interest of the use of taxpayer's money and understanding of the use of public funds.

Sincerely,

**Therese Tetzl**
