Docket Nos. 52-012 and 52-013  
Submittal of Schedules Required by License Condition

Nuclear Innovation North America LLC (NINA) submits the schedule for completing the milestones set forth in FSAR Table 13.4S-1, including the associated estimated date for initial loading of fuel, and for implementing the transportation physical security program and the strategies developed in accordance with 10 CFR 50.54(hh)(2) as required by license condition 2.D.(13)(a) in the Unit 3 and Unit 4 Combined Operating Licenses.

There is no schedule for the start of construction and therefore there is no schedule for the estimated completion of the milestones set forth in Table 13.4S-1 or for initial loading of fuel, and for implementing the transportation physical security program and the strategies developed in accordance with 10 CFR 50.54(hh)(2). As required by the above referenced license conditions NINA will provide the next update in 6 months.

There are no commitments in this letter.

If there are any questions regarding this submittal, please contact myself at (979) 824-0938 or Bill Mookhoek at (979) 665-5152.
