RESPONSE TO REQUEST FOR HOLDING INFORMATION FROM PUBLIC DISCLOSURE

Ladies and Gentlemen:

Enclosed please find Aerotest's affidavits with corrected requests for a hold on proprietary information from public disclosure. This is a response to the NRC's letter dated February 2, 2018 that describes an unsatisfactory submission to identify and support Aerotest's request for confidentiality of information.

Should you have any questions or require additional information regarding this submission, please contact AO President David M. Slaughter, Ph.D. at (801) 631 5919 or dmsraven@gmail.com

Sincerely yours,

David M. Slaughter, Ph.D.
President, Aerotest Operations, Inc.

AFFIDAVIT

I, David M. Slaughter, hereby affirm and state as follows:

1. I am the President of Aerotest Operations, Inc authorized to execute this affidavit on behalf of Aerotest Operations.
2. The information contained in document entitled "Appendix A: Description of Aerotest Operations' Activities" found in the Aerotest RAI response dated December 20 2017. The proprietary information includes sensitive business information related to Aerotest Operations. This information should be held in confidence by the NRC and withheld from public disclosure.
3. In making this application for withholding of proprietary information of which it is the Aerotest President believes that the information qualifies for withholding under the exemption from disclosure set forth in the Freedom of Information At ("FOIA"), 5 U.S.C. Section 552(b)(4), the Trade Secrets Act, 18 U.S.C. Section 1905, and NRC regulations 10 CFR 2.390(a)(4) for trade secrets and commercial information because:
 - i. This information is and has been held in confidence by Aerotest Operations.
 - ii. This information is of a type that is customarily held in confidence by Aerotest, and there is a rational basis for doing so because the information includes sensitive business information pertaining to the strategic nature of research, development and investigative services.
 - iii. The information is being transmitted to the NRC in confidence.
 - iv. This information is not available in public sources and could not be gathered readily from other publicly available information.
 - v. Public disclosure of this information would create substantial harm to the competitive position of Aerotest by disclosing certain business decisions Aerotest has made or is considering and the analysis that went behind those decisions. Development and evaluation of this commercial information was achieved at, and disclosure could lead to additional, significant cost to Aerotest.
