VOGTLE ICN/UIN ISSUES TRACKING SHEET

Date	ITEM #	ICN UIN	TOPIC	ITAAC INDEX #	ISSUE	Licensee Comment
2/26	1	UIN	DC not per COL “and associated systems” was omitted	90	The functional arrangement of the CNS “and associated systems” is as described in the Design Description of this Section 2.2.1.	
	2	UIN	Possible editorial error. If so fix in ICN.	573	3 rd paragraph 1 st sentence of UIN should be “design description” instead of “design”. You edited one of the other UINs that had “design description and referenced table” and apparently meant to just delete “and referenced table” see UIN for 2.5.09.01.
