**Re: Docket No. 40-6622, License No. SUA-442
July-December 2017 Semi-Annual Groundwater Monitoring Report**

Dear Deputy Director,

Since reclamation of the facility is nearly complete, there is no effluent monitoring pursuant to 10 CFR 40.65 and therefore no data to report.

If you have any questions please feel free to call me at our Casper office.

Regards,

President
