Hi Justin,

I'm looking at the site visit plan, it appears your staff requested documents to be uploaded to the electronic reading room (ERR). There have been a couple locations used in the past (e.g. IMS or Reference Portal). Is there a preference on which one? It appears that the **Reference Portal under the LAR 16-03 title** has been used the most but just want to confirm. I'm waiting on a couple documents from engineering to complete the upload.

Thanks,

Josh Greene, PE
