Docket No. 40-9075-MLA; ASLBP No. 10-898-02-MLA-BD01

Dear Administrative Judges:

By letters dated March 16, 2018, the Staff informed the parties of its selection of an approach to remedy the deficiencies identified by the Board with respect to the Staff's environmental review of tribal cultural resources that may be affected by the Dewey-Burdock project. For the information of the Board, the Staff is filing the letters provided to the Oglala Sioux Tribe, Consolidated Intervenors, and Powertech regarding the Staff's selected approach through the Electronic Information Exchange System concurrently with this letter. These letters will also be included in the Staff's monthly mandatory disclosures and hearing file update on April 2, 2018.

Respectfully submitted,
