Mr. John Mays,

Attached you will find an electronic copy of the NRC's approach to identify historic, cultural, and religious site at the Dewey-Burdock in situ-uranium recovery project. A hardcopy will be provided by mail as well.

I've also attached a copy of the letter that was sent to Ms. Trina Lone Hill.

Please let me know if you have any questions. Thanks,

	CINTHYA I. ROMÁN, CHIEF, NMSS/FCSE
