Docket No. 50-335

Dear Mr. Regan:

Thank you for copy of your letter of January 29 to Florida Power & Light Company asking them to submit another draft of proposed technical specifications (environmental), for St. Lucie Plant Unit No. 1.

I attempted to review the original submission of March, 1974, at our local Indian River Community College, but the librarian and I were unable to locate it.

Would it be possible for us to have a copy of the re-submission which you have requested Florida Power & Light to send you by February 18?

Sincerely,

*Betty Lou Wells*
