Re: Update to Notice: Williamson Memorial Hospital, LLC (Radioactive Materials License #47-25358-01)

Dear Mr. Gallagher:

I write on behalf of Hospital Management Associates, LLC ("Seller"), which holds 95.84% of the membership interests of Williamson Memorial Hospital, LLC (the "Company"). The Company owns and operates Williamson Memorial Hospital, an acute care hospital located in Williamson, West Virginia (the "Hospital"), which holds the above-referenced radioactive materials license issued by the NRC.

We previously provided notice to the NRC of a proposed transaction which, if completed, would have resulted in a transfer of the Hospital's Radioactive Materials License (the "Transaction"). The purpose of this letter is to withdraw our prior correspondence submitted to the NRC in connection with the Transaction and terminate the change of ownership application related to the Transaction.

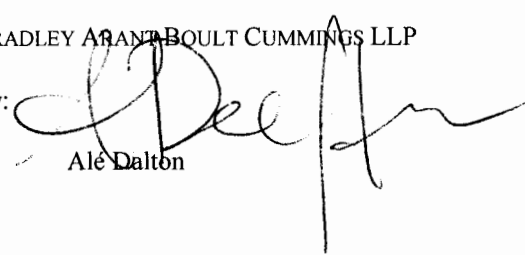

Thank you for your attention to this matter. If you have any questions, please contact me at (615) 252-3593 or adalton@bradley.com.

Sincerely,

BRADLEY ARANT BOULT CUMMINGS LLP
