Subject: Illinois Review and Comment on NRC's Draft Environmental Assessment re: Zion Nuclear Power Station in Lake County (Email 1 of 1)
Attachments: ZION LTP Draft EA - Il review.pdf

Adnan,

Attached is the U.S. Nuclear Regulatory Commission's (NRC) Draft Environmental Assessment (EA) related to the Zion Nuclear Power Station. The Draft EA evaluates the environmental impacts of license termination activities and the remaining decommissioning activities. I would like to request Illinois's review and comment by **May 04, 2018**. The NRC will address your comments in the Final EA. The Final EA and Finding of No Significant Impact (FONSI) will be noticed in a future *Federal Register*.

I will send a separate email with the password to open the file. If you or your staff have any questions or concerns, please don't hesitate to contact me.

Sincerely,
Jessie Quintero
