ADMIN & UTIL. FAC. 50-389

The Honorable Richard Stone  
United States Senate  
5107 Dirksen Senate Office Building  
Washington, D. C. 20510

Sir:

The Federal Courts on October 22, 1976, issued an injunction halting all work on Florida Power & Light Company's St. Lucie Unit #2 Nuclear Plant pending the outcome of hearings to consider alternate sites for this Nuclear Plant, and forced hundreds of workers out of a job.

In cooperation with these unemployed workers, the City Commission of the City of Fort Pierce, Florida, adopted Resolution No. 76-64, copy of which is attached, petitioning the Nuclear Regulatory Commission to expedite said hearings scheduled for December 1, 2 and 3, 1976; and if approval of St. Lucie Unit #2 is merited, that they further expedite the construction permit for St. Lucie Unit #2 at the earliest possible date in December, 1976, to help reduce the unemployment rate in this area which now stands at fourteen and one-half percent.

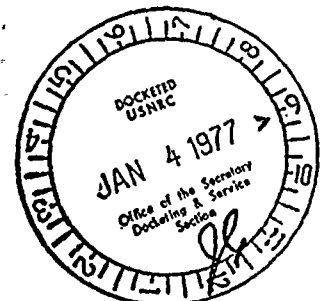

The City Commission would appreciate any assistance you are able to give in this matter.

Very truly yours,

*Ivez S. Lowry*  
Ms. Ivez S. Lowry

Enclosure - Resolution No. 76-64

RESOLUTION NO. 76-64

URGING THE NUCLEAR REGULATORY COMMISSION TO EXPEDITE HEARINGS ON FLORIDA POWER & LIGHT COMPANY'S ST. LUCIE UNIT #2 NUCLEAR PLANT TO PREVENT CONTINUED UNEMPLOYMENT OF HUNDREDS OF WORKERS IN THIS AREA WHICH IS BESIEGED BY THE HIGHEST UNEMPLOYMENT RATE IN THE STATE.

WHEREAS, the Nuclear Regulatory Commission required hearings to be held on September 8, 9 and 10, 1976, to consider alternate sites for its St. Lucie Unit #2 nuclear plant; and

WHEREAS, the Nuclear Regulatory Commission has cancelled those hearing dates and has now established new dates on December 1, 2 and 3, 1976; and

WHEREAS, the Federal Courts on October 22, 1976, issued an injunction halting all work on Unit #2 pending the outcome of these hearings, thus forcing hundreds of workers to become unemployed in an area already besieged by the highest unemployment rate in the State.

NOW, THEREFORE, BE IT RESOLVED By the City Commission of the City of Fort Pierce, Florida, that this Commission petitions the Nuclear Regulatory Commission to expedite these hearings, and if approval is merited, to expedite the construction permit at the earliest possible date in December, 1976, to reduce the unemployment rate in this area.

BE IT FURTHER RESOLVED that this Resolution shall become effective upon its adoption.

ADOPTED this 29th day of November, 1976.
