Hi Michele,

I have confirmed with all candidates the week of July 9th for licensing exams. I appreciate your flexibility in scheduling to accommodate our exam date request.

Regards,

Alan Cebula

Mr. Cebula,

Based on our conversation the other day, the proposed exam week is July 9th. This should afford your facility the required time to document the applications correctly and accomplish the training and education as necessary.

Please reply to this email, to confirm this week works for your facility or contact me as soon as possible to discuss.

Thank you,
Michele DeSouza
