Dear Mr. Denton:

On December 19, 1980, the Board of Directors of Virginia Electric and Power Company approved the appointment of Mr. J. I. Oatts as Senior Vice President-Power Operations. Mr. Oatts will assume this position effective January 1, 1981.

The corporate organization, as presently shown in the North Anna Unit 1 and Unit 2 Technical Specifications, indicates that the Manager-Nuclear Operations and Maintenance and the Manager-Nuclear Technical Services both report to the Executive Vice President-Power. These managers will now report to the Senior Vice President-Power Operations, who will report to the Executive Vice President-Power.

We are in the process of revising the Technical Specifications for both Surry Units 1 and 2 and North Anna Units 1 and 2 to reflect the addition of the Senior Vice President-Power Operations position. Following review and approval of proposed Technical Specification changes by our Station and System Nuclear Safety and Operating Committees, we will submit a license amendment request to

update the Surry and North Anna Technical Specifications to reflect the new position. In the interim, please contact us if you have any questions regarding this management change.

Very truly yours,

J. H. Ferguson  
Executive Vice President-Power
