CPPR No. 114

Dear Mr. Haass:

The Virginia Electric and Power Company hereby submits four (4) copies of the final draft of Amendment four to our topical report entitled "Quality Assurance Program-Operations Phase" (VEP-1-4A). The original draft was submitted to you on May 12, 1982, and this submittal reflects the changes made to the original draft as a result of a series of reviews held between NRC and VEPCO personnel.

Upon approval by you, we will issue the prerequisite number of copies of this report. If you have any questions concerning this report, please call Mr. P.R. Beament at 1-(804)-771-4411 who is available to assist you. The enclosed final draft of the amended report is considered non-proprietary in its entirety.

Very truly yours,

E. A. Baum
