Dear NRC,

This letter is to notify you of a mailing address change (but not a change of location of use). The offices of our Health and Safety Group has been moved to a different building on our campus, so our internal mailcode has changed.

Our address currently on file with the NRC is:

The Boeing Company  
P.O. Box 516  
Mailcode S111-2491 / Rad. Saf. Ofc.  
St. Louis, MO 63166-0516

Please change the mailcode from S111-2491 to S106-7265.

Thanks for your help with this.

Respectfully,

Mike Kohls, RSO
