Materials Licensing Branch

June 24, 2018

Miss Laura Cender,

Alfred Benesch & Company would like to request our capacity from 5 to 7 Troxler Electronic Laboratories Models 3411 and 3400 under our current material license(21-35013-01). If approved, this request would allow Alfred Benesch & Company to carry seven Troxler Electronic Laboratories Models 3411 and 3400. Please kindly expedite this request in a timely manner and I appreciate your promptness to this matter. If you have any questions, please do not hesitate to contact me at 616-893-7313.

Sincerely,

Wilso Padilla

Hello Tammy,

Please process the attached file in as a new license amendment request. Please let me know if you have any questions.

Thank you,
Laura

Subject: [External_Sender] Amendment Letter June 24 2018

Hi Laura,

As discussed previously, please see the attached request to increase our nuclear density gauge from 5 to 7. I kindly request for this amendment to be expedited as soon as possible to maintain our work demand and future project schedules. Please feel free to contact me if you have any questions.

Regards,
Wilson Padilla
