

State of Louisiana
DEPARTMENT OF ENVIRONMENTAL QUALITY
OFFICE OF ENVIRONMENTAL COMPLIANCE

June 26, 2018

Paul Michalak, Chief
Agreement State Programs Branch
Division of Materials Safety, Security, State and Tribal Programs
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Dear Mr. Michalak:

Enclosed is a copy of the revisions to the proposed Louisiana Department of Environmental Quality rules in the Louisiana Administrative Code, Title 33, Part XV, Radiation Protection. The proposed regulation is identified by strikeout/underline and corresponds to the following equivalent amendments to NRC's regulations.

<u>RATS ID</u>	<u>Title</u>	<u>State Section</u>
2013-1	Physical Protection of Byproduct Material	1613.C and 1637.A
2015-2	Safeguards Information	1615.A.10
2015-4	Miscellaneous Corrections	342.A.2 and 1609.B.2
2015-5	Miscellaneous Corrections	102, 328.J.2, Chapter 4, 499.App. D, 763.B, 1017.A, 1519.A & A.1, and 1647.A.1

We believe that adoption of these revisions satisfies the compatibility and health and safety categories established in the Office of Nuclear Material Safety and Safeguards (NMSS) Procedure SA-200.

Additionally, we have revised LAC 33:XV.342 and 390 to be more compatible with 10 CFR 40.61 and 150.20, respectively.

If you have any questions, please feel free to contact me at (225) 219-3634 or Joe Noble at (225) 219-3643 or joe.noble@la.gov.

Sincerely,

A handwritten signature in blue ink that reads "Judith A. Schuerman".
